## SHISEIDO MEN ULTIMUNE Power Infusing Serum

**100 Years of Shiseido's Research on Men's Skin.**

**A serum that creates a bright and fresh impression.**

Each concentrated drop is delivered to your skin's inner layers.

Its smooth feel is the first sign that the serum has absorbed in, and started to work for you.

Improve multiple skin concerns such as dryness, dullness, lack of radiance, visible pores, roughness, lack of firmness and fine lines.

Give your skin the advantage for the future.
