Target deep wrinkles and dark spots. Rediscover the best version of you. Reawaken skin's potential with SHISEIDO's breakthrough ReNeura Technology++™ and Retinol formula.

This powerful 2-in-1 treatment visibly reduces various wrinkles, smile lines and dark spots by targeting their root causes. Skin is refined and toned for a more youthful, radiant look.

DERMATOLOGIST-TESTED.

OPHTHALMOLOGIST-TESTED.

- Retinol (Vitamin A) improves the look of wrinkles by maintaining a healthy turnover for a youthful radiance.
- 4MSK, an effective brightening ingredient developed by Shiseido, diminishes the appearance of age spots for an even and radiant look.
- ReNeura Technology++™* helps strengthen skin's internal sensory signals, which decline with age, while enhancing and accelerating effects that fight against signs of aging.
- Features KURENAI-TruLift Complex with safflower extract to promote firmness.
- Inspired by the fragrance of the noble Japanese orchid, the scent helps awaken the senses.
- 48-hour lasting moisture
