

THE GINZA HYBRID GEL OIL N 100ML LIMITED EDITION

100mL <serum / massage serum>

NEW

Limited quantity

29,700円 (including tax) value

With a gentle massage, this hydrating hybrid gel oil serum absorbs quickly, leaving the complexion smooth and glowing with vitality.

※Dermatologist-tested.

A limited-edition package inspired by the iconic grid of Ginza, created as an homage to the brand's fashion heritage.

Designed in collaboration with Japanese designer Yuki Funakoshi, the lustrous glass bottle is imagined as bare skin, delicately dressed in a lace pattern. Soft transparency and a pale pink hue express quiet elegance and refined beauty.

Your skin is the first line of defense against external aggressors.

THE GINZA supports skin's resilience and ability to maintain its optimum condition, even in the face of damaging factors such as dryness.

○THE GINZA Linden Extract, a powerful ingredient used in THE GINZA skincare, is derived from linden that grows in Eastern Europe and flourishes in many different environments.

○Backed by more than 20 years of skin physiology research, products are formulated with THE GINZA Perceptive Complex III to promote skin hydration. (Containing polyquaternium-51, polyvinyl alcohol, Angelica keiskei leaf/stem extract, sodium carboxymethyl glucan, ginkgo biloba extract and glycerin.)

○Inspired by the traditional concept of “energy, blood and water,” THE GINZA Hybrid Gel Oil supports the skin barrier, creating a complexion that looks healthy and glows from within. When applied with a gentle massage, the formula leaves skin looking brighter and less puffy. (Beauty Circulation CP : Houttuynia cordata extract, cinnamon extract, shell ginger leaf extract, glycerin)

○Supports natural skin cell turnover which improves the healthy looking and the skin barrier's outermost layer.

○Infused with natural oil ingredients, the formula hydrates and locks in moisture.

○Instantly moisturizes and conditions dehydrated skin.

○The complexion looks and feels prepared for the application of products to follow.

○Formulated based on aromachology science. The fresh, floral THE GINZA Linden Aroma transforms everyday skincare into blissful ritual.

○Lightly scented with linden.
